

Wheeler Sawmill

(Wheeler cabin for Dr. Nelson's class)

From Provo go south on I-15 or US 89 to US 6, go east up Spanish Fork Canyon, Continue on US 6 12 miles past the US 89 turnoff to Thistle and Manti. Continue as if going to Price.

Watch for Mile marker 199! Near Mile marker 200 look for big log gate on left hand side (going up canyon), pass through the gate. Drive up the short (100 feet) dirt road to the house on the left, not the sawmill on the right.
